Dear Prospective Junior Volunteer,

Thank you for your interest in becoming a junior volunteer at McLeod Regional Medical Center. The Junior Volunteer Summer Program offers a unique opportunity for teen volunteers to share their gift of time and talents to benefit the lives of patients, families, and staff at McLeod Regional Medical Center, as well an opportunity of investment for your own development and growth. Our volunteer program mission is to promote and provide an extraordinary patient experience by exemplifying the McLeod Health Mission, Vision & Values. We are proud of our eight-week summer program and the many experiences it offers.

Our volunteers donate their time and talent in a variety of service areas within McLeod Regional Medical Center and our junior volunteer program is an excellent experiential learning opportunity!
